BRIEF ABSTRACT OF LETTER.

Reports the death of Fatima Bibi, a political pensioner, and the heirs among whom her pension has to be divided

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Bangalore Deputy Commissioner's report regarding the death of Fathima Bi at Sarjapur and his suggestion in regard to its distribution among the survivors does not seem to concern this Government.

What Fathima Bi was receiving was a life ~~grant~~ stipend of Rs 11/- ~~and she died so few years back~~. paid by the British Govt; and she died so few back as the 6th January 1904.

Its continuance or otherwise rests with the British Govt and it does not seem to call for any action here.

I remember this Residency having asked the Durbar to explain why the death of Hanmanta Rao was not reported. Please look into and file

Please see (~~Madras~~) letter No. 492 A dated 14201 the 8.2.1908 from the Asst Accountant General, Madras to the Asst Resident wherein "the death of the pensioner was not reported" x x that the Hon'ble the Resident's Treasury, Bangalore was requested to stop the payment".

So it seems that the Treasury reports such deaths as reasons for the stoppage of pensions. The Jamakhandi account below the State Treasuries & the British authorities have to do this as the pensioner in the present case died on the 6th January i.e four years back
